# Photography at Level 5 States

Photography will be provided by **Gymnastics Photo**.

Note from **Gymnastics Photo**:

We do NOT photograph everyone. We ONLY photograph those who sign up. By operating this way, we're able to photograph **all 4 events** and usually get multiple angles on those events. Plus we're able to give those who sign up even more photos than most companies, usually averaging about 150-300 photos per kid.

**So if you do want photographs, you must sign up with us before your gymnast competes either online using the link below, or directly with us at the event at our desk.**

If you sign up now you can SAVE MONEY and TIME by not waiting in line at the event!

Information for signing up will be available shortly after the rotation schedule is set.
