Women's Optional Head Coach

Hanover Gymnastics is seeking a full time professional coach to assist the Head team coach with the 145 gymnasts we have on our competitive team. A main priority will be assisting in the planning and implementing of an optimal training environment for our top athletes. The preferred candidate will have at least 5 years of optional coaching experience, a working knowledge of the women's JO code of points, strong spotting skills and the ability to lead by example and enforce rules and policy. Our facility is fully equipped with two full-size floors, in-ground pit, preschool gym with third spring floor, dance studios, weight rooms, Jacuzzis, saunas, steam rooms, private locker facilities and much more! USA Gymnastics safety certifications and screenings are required. Very competitive salary that will be based on experience. Full benefits, great retirement package and excellent child care benefits.
