

Alex Summers Invitational

Alexis “Alex” Summers was killed in a car accident on 11-01-11. She was a competitive gymnast for 10 years and a bright, shining, star during her time with us. She was a role model to many. Family and friends have developed a scholarship memorial fund in her honor. Her parents, Tammy and Brian Summers, choose a recipient each year to receive a portion of this fund to honor her. Although Alex has gone to heaven, she will remain in our hearts forever. Participating gymnasts wear matching leotards in Alex’s honor. Your participation and support in this meet will contribute to her fund. She is our “shining star” that will forever be remembered at Butler Gymnastics Club.

Alex Summers Invitational

A portion of the proceeds benefit Alex's scholarship fund.
