1. With the number of clubs in Pennsylvania hosting competitions the state is constantly in need of new judges and discussion was had on how to better accomplish that. A motion was made that after a one year commitment judges will have their USAG fees paid the following year. A vote was UNANIMOUS.
2. Pennsylvania will pay half of the 2020 regional entries for Levels 8,9 &10 as a way to give back to the athletes in our state. This may or may not be repeated based on the states finances.
3. Discussion was had on what type of Pennsylvania State Clinic to have in 2020. It was decided that the clinic will be athletes and coaches at the same time and not on separate days as was the case this year. The clinic will be held on Sunday, September 27th. Depending on the number of entries it's possible the afternoon of Saturday, September 26th might be utilized as well. The 2020 state clinic will be held at Prestige Gymnastics in Lancaster, PA.
4. An early "Mark Your Calendars". Pennsylvania will host a clinic to formally introduce the new compulsory routines either the first or second weekend in June of 2021.

As always if you have any suggestions, complaints or compliments about anything relating to gymnastics in Pennsylvania please put them in writing and submit them to State Chairperson Donna Guenther at Pausag155@gmail.com.

Meeting was adjourned by Donna Guenther.

Respectfully submitted,

Kevin Pope
