2025 PA Level 4 / 5 State Championships

Erie

*March 28th - 30th
2025*

Dear Coaches, Gymnasts, Parents & Gymnastics Fans,

Erie Gymnastics & Team Lightning Productions is proud to be the host of this years Level 4 / 5 State Gymnastics Championships! We welcome you to the beautiful shores of Erie, PA.

We will be hosting the State Championships at the brand new Haggerty Family Center of Erie. The Haggerty Center is a newly built Sports Center the equivalent of an NCAA Sporting facility. It is in the downtown Erie Area and relatively close to the Erie Bayfront, Presque Isle State Park & beaches, and relatively close to our Peach St. shopping district.

We've negotiated with several local Hotels in the area that were selected for their proximity to the center, cleanliness, affordability. These Hotels (with links) will be listed on our website — www.eriegymnastics.com.

There is a plethora of "Things to Do" in the Spring here in Erie, PA. We recommend visiting our beautiful Presque Isle State Park which is 14 miles of sandy Beaches on Lake Erie. While it's likely to still be a bit nippy to swim, there are a ton of nature trails to see numerous species of Birds, Mammals & 'critters'. If you do want to 'swim', we recommend "Splash Lagoon" Indoor Water Park. It's ALWAYS 84 degrees and filled with Water Slides, a Lazy River, Wave Pool, and even an Adult Jacuzzi and Tiki Bar with Adult Beverages.... Or perhaps maybe Shopping is your thing? The Competition is not too far from our Peach St. Shopping District. There we have a huge indoor Mall — Millcreek Mall. Surrounding the Mall in that area is tons of other National & Local Businesses as well as ANY sort of Restaurant you can think of. Please see our "Things to Do" page on our website for more ideas... anything from our Casino, Wine Tours, Fishing.... You, your athletes and parents are sure to find something fun to do while in Erie.

All information will be posted on our website— www.eriegymnastics.com / meetmaker.com / and the State Website. We have a list of Host Hotels & their proximity to local attractions. We will also post flight times, Age Groups / scores & additional Meet Information on our site. Please expect this no earlier than 2 weeks prior to the Meet. We can NOT schedule sessions until ALL athletes have entered.
